Do you want to litigate in Slovakia? From 1 April 2024 you will pay more

At the end of last year, the National Council of the Slovak Republic adopted changes to administrative fees, court fees and fees in other areas of public administration. These changes were adopted as part of the public finance consolidation package and result from Act no. 530/2023 Coll., which amends certain laws and aims to improve the state of public finances.

From 1 April 2024—just a few days from now—not only will it be necessary to pay more for various administrative matters (e.g., obtaining a passport, registering a car, or transferring real estate ownership), but court fees will also increase.

Below is a summary of some of the changes to court fees:
