

Unblocking the registration of presence of foreign NGOs in Ukraine

On 28 April 2022, the Cabinet of Ministers of Ukraine (“**CMU**”) unblocked the registration of presence of foreign non-governmental organisations (“**FNGO**”) and charitable organisations (“**FCO**”) in Ukraine:

The following registration actions are currently possible:

Responsible authority:
Ministry of Justice of Ukraine

Procedure:
accreditation without acquiring the status of a legal entity

Deadline:
20 business days

The CMU has also simplified the following registration requirements:

01

the disclosure of ultimate beneficial owners is now **optional**

02

the registration of the presence of FNGOs and FCOs is **free-of-charge**, if the organisation intends to provide assistance to individuals engaged in the constraint of armed aggression against Ukraine, as well as to people who suffered or may suffer from such aggression
